

I would like to send
my thanks to Patriot
Guard Riders District 4.
You were at my father's
funeral a WWII veteran.
in Urbana Ohio. Nov 30.
He would have been
thrilled and honored
by your presents there

for him. He was honored
to have served his Country.

It's a wonderful
message you are giving
for these men.

Words can not express
what it meant to me as
well. Thank You.
