

I know that Dad was
saluting each of you
and proud to Among
his fellow servicemen
and women.

Dear Patriot Guards,
I do not have enough
words to express what
it meant to our family
to have you there for
Dad's Celebration of Life
Service. It made his
service so very special.
A memory I will never
forget. My husband
was honored to be
placed in the center
of all of you with Dad
on the side to the
cemetery.

"...Blessed are the people whose God is the Lord."

PSALM 144:15 NIV
